Westacre Warm Ups

These are the areas of learning your child will be covering next week. You might be able to support your child with these through practical activities, by talking to them about what they are learning and helping to develop their understanding.

Week beginning 24th June 2024

Mathematics

This week we will be revisiting number bonds to 10.

Literacy

In our literacy lessons this week we will be retelling and writing our class story. We will be writing sentences using our phonic knowledge to spell words. Encourage children to make up their own stories at home using storybook language.

Practise blending. This will help develop reading skills.
