

Reception

Westacre Warm Ups

These are the areas of learning your child will be covering next week. You might be able to support your child with these through practical activities, by talking to them about what they are learning and helping to develop their understanding.

Week beginning 13th January 2025

Mathematics

In mathematics this week we will be building on prior learning of 1 more and 1 less.

Put up to 10 objects in a bag, ask children to confirm how many are in the bag. Take one out or put one in. How many are in the bag now?

Candle with Care activity

Literacy

We will be concentrating on writing short sentences using our phonic knowledge. Try this activity to help with spelling cvc words.
