### Westacre Warm Ups

These are the areas of learning your child will be covering next week. You might be able to support your child with these through practical activities, by talking to them about what they are learning and helping to develop their understanding.

#### **Week beginning 10<sup>th</sup> February 2025**

#### **Mathematics**

This week we will be looking at the composition of number 8. Using 8 counters how many ways can you arrange them into 2 groups? Can you write the number sentence eg  $5+3=8$ . Is 8 an odd or even number?

Try the following game Count on and Back within 10:
