Westacre Warm Ups

These are the areas of learning your child will be covering next week. You might be able to support your child with these through practical activities, by talking to them about what they are learning and helping to develop their understanding.

Week beginning 3rd March 2025

Mathematics

This week we will be continuing to explore number composition and finding ways of making 10. How many ways can you find?

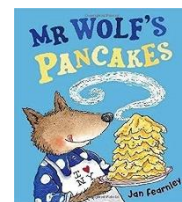

Try this game Hit the Button, making 10.
