

Reception

Westacre Warm Ups

These are the areas of learning your child will be covering next week. You might be able to support your child with these through practical activities, by talking to them about what they are learning and helping to develop their understanding.

Week beginning 8th July 2024

Mathematics

This week we will be solving real life mathematical problems such as: If one car has four wheels how many wheels are there on two cars?

If Miss. Cooper had 6 sweets and she ate 3 how many sweets will she have left?

Can you think of your own mathematical problems?

Literacy

In our literacy lessons this week we will be reading The Train Ride. We will be practising re telling the story and writing the story using our story maps.

Practise blending. This will help develop reading skills.

Education City- subjects- English- Sound it Out

Phonics

Continue to practise using the ng diagraph in this game.

Education City- subjects- English – Sing a Song

Handwriting
