

Year 1 Westacre Warm-ups

These are the areas of learning your child will be covering over the next **two** weeks. You might be able to support your child with these through practical activities, by talking to them about what they are learning and helping to develop their understanding.

Weeks beginning 17th and 24th June 2024

Maths

Over the next two weeks, we will be completing the unit of work on Place Value (within 100). The small steps of learning will be:

- The number line to 100
- 1 more, 1 less
- Compare numbers with the same number of tens
- Compare any two numbers

You can click on the link below to see White Rose Maths videos showing how we teach these small steps.

[Maths home learning | Home learning | White Rose Education](#)

REMINDER – Don't forget the White Rose 1 minute Maths app. Children should be able to have a go at all sections of this now.

Education City support activities:

- Cow countdown – Counting backwards in 1s
- Snow Hope – 1 more, 1 less
- Fish with Manu – Comparing quantities of fish
- Reel Numbers – Comparing numbers to 100

English

In English, we complete the narrative unit of work based on the story 'Titus's Troublesome Tooth' by Linda Jennings and Gwyneth Williamson. We will be innovating the story by changing different elements within the narrative. We will write each section of the story bringing together our knowledge of sentence writing – capital letters, full stops, exclamation marks, question marks, using 'and/but/or, adding -s or -es for plurals and thinking about accurate spellings. We will then move onto inventing our own 'helping' stories, based on 'Titus Troublesome Tooth'. Children will plan and write their stories independently.

Education City support activities:

- Amazing punctuation – ending sentences
- Double, Bubble, Trouble – singular or plural
- Routes to Fortune – adding -s or -es to nouns
- Stig's Spelling Adventure – Spelling common exception words
