

Reception

Westacre Warm Ups

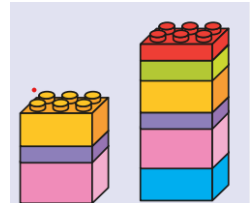

These are the areas of learning your child will be covering next week. You might be able to support your child with these through practical activities, by talking to them about what they are learning and helping to develop their understanding.

Week beginning 30th September 2024

Mathematics

In mathematics this week we will be comparing size, mass and capacity.

Encourage children to make big houses, small houses, tall towers and short towers. Ask children what size animal would fit into each house or tower. Can the children order houses and towers by size? Encourage use of correct vocabulary.
